

The Barn at  
**GRAVER'S**  
 TREE FARM

“Between every two pines is a  
 doorway to a new world.”

- John Muir

Tucked into the rolling, picturesque hills of Northeast Pennsylvania, a doorway to a new world is found when passing through the threshold of a gorgeously appointed barn awaiting your special event. Perfect for celebrations during the months of May through mid October, you'll find everything you desire nestled amidst the mountains including the Apple Orchard Courtyard, Waterfall Garden, Spring Valley Pond, Bridal Suite, Groom's Lounge, Barn, and Tree Fields.

A community pillar, the Graver Family has been tree farming and landscaping for over 40 years. Ingrained with a sincere appreciation for the beauty of the outdoors and the new life it brings, displaying magnificence on our farm is a deep passion whether it be through a manicured tree field, stately rock wall, or rolling brook bordered with Pennsylvania native plants. We welcome you into our 70 acre oasis for your most memorable occasions.

Built on the original stone foundation from the 1850s, our newly transformed barn is the cornerstone of the farm. Standing tall with its Douglas Fir beams, wrapped with Hemlock Fir board and batten, and held together with solid Oak pins, you're guaranteed to feel the authenticity of true Amish built elegance while ambling across the rustic yellow pine floors. Start your new life on a charming and sturdy foundation that will last a lifetime.

Mission statement: To nurture an atmosphere overflowing with God's beauty, restoration power, truth, and love while celebrating life's sweetest moments.

"See I am doing a new thing...I am making a way in the wilderness and streams in the wasteland." ~Isaiah 43:19
